QUOTES FROM THE HOLY FATHERS

The devil is afraid of us when we pray and make sacrifices. He is also afraid when we are humble and good. He is especially afraid when we love Jesus very much. He runs away when we make the sign of the cross.

St. Antony the Great

When pride masters our wretched soul, it is like a harsh tyrant, who, having captured a lofty city, destroys it completely and razes it to its foundations. The Angel who fell from heaven on account of his pride bears witness to this. Although he was entirely light, and was for this reason called 'Lucifer,' he became darkness on account of his haughtiness; and, being cast down into Hades, inherited unquenchable fire and unending torment – instead of heavenly glory.

St. John Cassian
