THE PURPOSE OF ILLNESS AND ITS POTENTIAL TO PERFECT US!

The heavenly Physician made the body of man subject to much suffering and disease, so that man might learn from his very nature that he must never again entertain the thought that he could be like unto God. If we come to understand the nature of fallen man, we shall be able to learn about ourselves and we shall be able to know God and worship Him as Creator. Our faithlessness to God has ushered in harm to our souls and body. Therefore, according to Saint John Chrysostom, "we should not dread any human ill-neither poverty, nor disease, nor insult, nor malicious treatment, nor humiliation, nor death – save sin alone." For these ills are only words; they have no reality for those who are living for the kingdom of the heavens. The only real calamity in this life is offending God. If we have this basic understanding of the purpose of life, then the spiritual meaning of bodily infirmity can be opened for us.

QUOTES FROM THE HOLY FATHERS

The guardian angel will not retreat from us unless we drive him away by our evil deeds. As the smoke drives bees away, and stench the doves, even so our stinking sin drives away from us the angel who protects our life. - ***St. Basil the Great***
